

# REQUIRED UNIFORMS

## TINY TUTUS A (age 3+) & TINY TUTUS B (age 4+)

**TINY TUTUS A** Please feel free to purchase any pink leotard with Tutu attached. There are two local dance stores in santa clarita “Skin Tite” and “Chorus Line” who both carry this uniform. You may also order from online.

**TINY TUTUS B** Please feel free to purchase any pink leotard with Tutu attached. There are two local dance stores in santa clarita “Skin Tite” and “Chorus Line” who both carry this uniform. You may also order from online.

**TIGHTS - BALLET SLIPPERS - TAP SHOES** BOTH Tiny Tutus A & B can purchase their required Ballet shoes, tap shoes and tights from the local dance stores listed above. I recommend only capezio or bloch leather shoes. Do not purchase plastic type ballet shoes or tights from walmart or target they are the wrong color and will hurt their feet and end of being much more expensive than our local dance stores. Ballet slippers and tights are a special ballet pink. Tiny Tutus need black tap shoes too. You may purchase a dance bag from below to keep all your dance things together.

## BALLET BUN EQUIPMENT (CLICK ON PICTURE)

(youtube tutorial)

There are a lot of things out there on the market to help make a ballet bun but they really are not traditional ballet buns. A traditional ballet bun starts with a scraped back perfect highish ponytail that is very secure and with hair that has been dampened a little. Then you twist the ponytail into a donut and then you secure 4 corners with u pins and then all the sides in-between. Then you put a hair net on top to stop all the little flyaways or you can put a decorative bun cover on top. These decorative bun covers are for decoration they are not to replace the u pins. They are decoration.
